Children & Young People's Commission

POSITION DESCRIPTION

Position:	Advisor / Senior Advisor
Location:	Te Whanganui-a-Tara
Reporting to:	Manager – Monitoring, Advocacy and Rights or Mai World
Issue Date:	July 2023
Delegated Authority:	Nil
Staff Responsibility:	Nil

Our Organisation

Mana Mokopuna - Children and Young People's Commission is an independent advocate for all 1.2 million mokopuna aged under 18 in Aotearoa New Zealand and care-experienced mokopuna aged up to 25. Mana Mokopuna was established in July 2023, but the organisation was previously the Office of the Children's Commissioner, and we have a rich whakapapa built on the commitment of former [Children's Commissioners](#) since 1989.

The Commission is an Independent Crown Entity governed by a board of six Commissioners led by the Chief Children's Commissioner. It advocates for children's rights to be recognised and upheld, provides advice and guidance to government and other agencies, advocates for system-level changes, ensures children's voices are heard in decisions that affect them and monitors places where young people are detained.

Our name, Mana Mokopuna, describes who we are and what we stand for. At its heart, Mana Mokopuna recognises the many elements that will support mokopuna to thrive. It focuses on children and young people in the context of their family, whānau, hapū, iwi and wider community. It also recognises that their participation in decisions that affect them is vitally important.

Our Vision and Values

Our moemoeā is *Kia kuru pounamu te rongō - All mokopuna live their best lives*. We want to see every child in Aotearoa, regardless of their background, growing up knowing they belong with their whānau, having what they need to live their best life. It means mokopuna have a say about what matters for them, and that their rights are honoured by those in power.

Te Tiriti o Waitangi is central to our work. Honouring and reflecting Te Tiriti is one of the core values that drives us. We have a tikanga framework with four values-based principles that guide our mahi and behaviour:

- **Aroha:** Mokopuna are taonga. They are born with their own inherent mana. We will always act with compassion and empathy, adapting readily to respond to their needs.
- **Pono:** We believe honesty and integrity are key to doing our job well. We will always report things as we see them and never as how others want them to be seen. We stay true to one important thing: we do as we say we will.
- **Tika:** We are always about the best results for mokopuna. We empower others to bring about the best for them. We're independent and will always speak out for their interests. We consider the range of needs we have to meet and make every attempt to get it right. We never shy away from the hard stuff.
- **Mātauranga:** Mokopuna are our reason for being. They are involved, participate, and have input into things we do. We act from a place of knowledge; we work from evidence and advise others based on the things we learn.

Purpose of this Position

Advisors and Senior Advisors support Mana Mokopuna to meet their statutory responsibilities to engage with mokopuna to hear and amplify their voices, advocate for the rights, interests, and well-being of mokopuna, promote and monitor the implementation of The Children's Convention, monitor places where mokopuna are detained and provide child-centred advice to government agencies, with the ultimate goal of achieving our moemoeā: kia kuru pounamu te rongō – all mokopuna live their best lives.

Advisors will contribute to positive change for mokopuna through the delivery of the work programme for the tari and the provision of well researched and evidence-based advice. It is expected that Advisors will work with the support and guidance of their senior colleagues.

Senior Advisors will operate at a senior level across all key accountabilities and will have responsibility for managing complex pieces of work autonomously, relationship management, representation of the tari in different forums (internal and external) and will take a leadership and mentoring role with regard to their team's work programme and in supporting more junior kaimahi.

Appointments to different levels of the role are based on the Chief Executive's judgement of skill and experience.

Progression

Progression from Advisor to Senior Advisor is possible at the discretion of the Chief Executive at any time, without the need for a vacancy or a recruitment process. A formal process for progression will be followed. Providing for progression reflects the desire of the tari to develop and invest in kaimahi to enhance their careers and maximise their contribution to achieving positive outcomes for mokopuna.

Rotation

This position description covers Advisor and Senior Advisors across three focus areas for the Commission – Advocacy and Rights, Mai World (Participation and Engagement) and

Monitoring. Although listed together, the expectation is that kaimahi would only focus on the area within the team they are working in, not all focus areas at once. By mutual agreement, kaimahi may move between the three operational teams where workload requires, where skills are best suited or for developmental purposes.
